

To my patients,

If you haven't heard already, I will be retiring on July 8, 2016. After thirty-eight years in practice here at East Granby Family Practice, the time has come for me to move on to the next phase of my life.

I will be leaving you in the good hands of Dr. Daniel Lerner, who will be returning to CT after some years in Chicago, IL. This transition shouldn't disrupt your ongoing medical care. You will not need to reschedule your upcoming appointments.

If you would prefer to transfer to a physician outside East Granby Family Practice, a copy of your medical record will be provided to the physician of your choice.

I am glad to have had the opportunity to know you and your family. Thank you for trusting me to provide your health care and for putting your faith in East Granby Family Practice over the years. The providers and support staff I leave behind will continue to offer you the same excellent service you have come to expect from us.

Sincerely,

Steven Dieterich , M.D.
